Academic Qualifications

- Ph.D. January 2002-June 2008: ○ Demography, Department of Demography, University of Tehran, Iran, Supervisor: Dr. Mohammad Jalal Abbasi-Shavazi.
- M.A. September 1996-February 1998: ○ Demography, Department of Demography, University of Tehran, Iran, Supervisor: Dr. Mohammad Mirzaie.
- B.A. September 1989-January 1993: ○ Social Research, Department of Sociology, University of Tehran, Iran, Supervisor: Dr. Mohammad Mirzaie.

Thesis

- Ph.D ○ Ethnicity and Fertility: Explanation of Fertility Behavior of Kurd and Turk Women in Urmia District
- M.A. ○ Child Mortality Rates, Causes, and Socioeconomic and Demographic Determinants in Javanroud
- B.A. ○ Sociological Study of Sanandaj Township Population in 1976 and 1986.

Areas of Specialization:

- Social Demography
- Population Analysis
- Social Research
- Critical Demography

Areas of Research Interests

- Demographic Behaviour of Ethnic Groups
- Fertility, Reproductive Health, and Family Planning, Population Policy
- Marriage, and Family Change
- Population Aging
- Demography of Muslim Majority Countries

Career History:

- 2018-2022; Dean, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Hamedan, Iran.
- 2014-2018; Graduate Studies Director, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Hamedan, Iran.
- 2020-2022; Member of State Office of Education Research Council, Hamedan Province, Hamedan, Iran.
- 2019-2021; Associate Member of the Research Center for Social Determinants of Health, Hamedan University of Medical Sciences (HUMS), Hamedan, Iran.
- 2018-Onward; Member of the Publishing Center Council of Bu-Ali Sina University, Hamedan, Iran.
- 2018-2020; University Tenure and Promotion Committee, Bu-Ali Sina University, Hamedan, Iran.
- 2017-2021; Member of Governing Board of Population Association of Iran (PAI).
- 2011-2014; Member of Governing Board of Population Association of Iran (PAI).
- 2018-Onward; Director of the Population Association of Iran-West Region Office.
- 2017-2022; Member of the Strategic Population Council, Hamedan, Iran.
- 2017-2019; Member of the Research Council at Bu-Ali Sina University, Hamedan, Iran.
- 2013-Present; Associate Professor, Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Hamedan, Iran.
- 2008-2013; Assistant Professor, Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Hamedan, Iran.
- 2000-2002; Deputy, Department of Social Sciences, Faculty of Literature and Humanities, Bu-Ali Sina University, Hamedan, Iran.
- 1999-2008; Instructor, Full time, Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Hamedan, Iran.

Professional Services:

- 2021-Onward, Editorial Board Member, Journal of Population Association of Iran.
- 2019-Visiting Scholar, Nipissing University, North Bay, On, Canada.
- 2017-Onward; Adjunct Professor, Department of Sociology and Anthropology, Faculty of Arts and Science, Nipissing University, Canada.
- 2007-Sabbatical Leave was founded from the Population and Development Project of the United Nations Population Fund (UNFPA) Iran, for further study of the doctoral dissertation under the supervision of Tey Nai Peng, Associate Professor, Department of Applied Statistics, Faculty of Economics and Administration, University of Malaya, Kuala Lumpur, Malaysia.

Reviewing and Evaluating Research Papers

2009-Onward, I have been the reviewer of papers for the following journals:

- Journal of Religion and Health
- Payesh (Health Monitor)
- Journal of Social Sciences
- Journal of Applied Sociology
- Journal of Women's Strategic Studies
- Journal of Woman and Family Studies
- Journal of Women, Politics, and Policy
- Quarterly Journal of Population Studies
- Journal of Population Association of Iran
- Interdisciplinary Studies in the Humanities
- Journal of Women in Development and Politics
- Quarterly Journal of the Sociology of Social Institutions
- Journal of Strategic Research on Social Problems in Iran
- Journal of Family Planning and Reproductive Health Care
- Journal of Women's Studies Sociological and Psychological
- Journal of Kermanshah University of Medical Sciences (Journal of Behbood)

Book Reviewing and Evaluating

A Critical Review on the Book "Population Aging and the Generational Economy: A Global Perspective", Institute of Humanities and Cultural Studies, Council for the Study of Humanities Texts and Books, Tehran, Iran.

Evaluation of the Book "Population and Well-being: Mentalities and Realities", The Organization for Researching and Composing University textbooks in the Humanities (SAMT), Tehran, Iran. February 6, 2021.

Evaluation of the Book "World Population Policies", National Institute for Population Research, Iran, Tehran, Iran.

Evaluation of the Book "Global Muslim Population 2030", Supreme Council of the Cultural Revolution, Women and Family Socio-Cultural Council, Tehran, Iran.

Evaluation of the Book "Anthropology and Development: The Need for Rethinking in Rural Development Programs", Bu-Ali Sina University Press, Hamedan, Iran.

Reviewing and Evaluating Research Proposals

2010; Comparative Study of Divorce-related Indicators in Iran and the World, Academic Center for Education, Culture and Research, Tehran, Iran.

2014; Investigating the fertility intention of young married adults in the very low-fertility context of Tehran, Iran, The Social Sciences and Humanities Research Council of Canada (SSHRC), Canada.

2022; Investigating the Relationship between Social Capital and Fertility Intentions and Behaviors in Iran: A Multilevel Approach, PhD Proposal, Department of Demography, Faculty of Social Sciences, University of Tehran, Iran.

Scientific Secretary and Member of the Scientific Committee of Conferences and Seminars

Member of the Scientific Committee of the Second National Conference on Border Sociology: Development Policies and Social Life of Border Residents, University of Kurdistan, Sanandaj, Kurdistan, Iran, November 9-10, 2022.

Member of the Scientific Committee of the First National Conference on Social and Cultural Issues and Challenges of the Iranian Muslim Family, University of Birjand, Birjand, South Khorasan, Iran, February 23, 2022.

Member of the Scientific Committee of the 9th National Conference of the Population Association of Iran (PAI), Entitled: Population Dynamics and Human Capital in Iran, Faculty of Social Sciences, Tehran University, Tehran, Iran, November 12-13, 2019.

Scientific Secretary of the Seminar on Low Fertility, Reproductive Health and Population Policy Challenges in Iran: The Case of Hamedan, Bu-Ali Sina University, Hamedan, Iran, April 12, 2017.

Member of the Scientific Committee of the 8th National Conference of the Population Association of Iran (PAI), Entitled: Population Change, Human Resources and Employment in Iran, Faculty of Social Sciences, Yazd University, Yazd, Iran, October 26-27, 2016.

Scientific Secretary of the National Conference on Population Changes in Iran: Opportunities and Threats, Bu-Ali Sina University, Hamedan, Iran, October 7-8, 2015.

Member of the Scientific Committee of the 7th National Conference of the Population Association of Iran (PAI), Entitled: Demographic Dimensions of Family Changes in Iran, Faculty of Social Sciences, University of Tehran, Tehran, Iran, May 21-22, 2014.

Scientific Secretary of the 6th National Conference of the Population Association of Iran (PAI), Entitled: Changes in Population Age Structure and Its Consequences in Iran, Faculty of Social Sciences, University of Tehran, Tehran, Iran, November 7-8, 2012.

Scientific Secretary of the Seminar on Iran's Problems and Population Challenges with Emphasis on Migration in Hamedan province, Bu-Ali Sina University, Hamedan, Iran, May 4, 2010.

Professional Affiliation

2017-Onward; Union for African Population Studies (UAPS)

2010-Onward; European Association for Population Studies (EAPS)

2007-Onward; Asian Population Association (APA)

2004-Onward; International Union for the Scientific Study of Population (IUSSP)

2002-Onward; Population Association of Iran (PAI)

Teaching Experiences

I have taught the following demographic courses at the Bu-Ali Sina University.

Undergraduate (Social Research and Sociology, Sept 1999-Present):

- Introduction to Demography (1999-2019)
- Methods for Demographic Analysis (1999-Cont'd)
- Demography of Iran (1999-2019)
- Socio-Economic Demography (1999-2019)
- Applied Demography (1999-Cont'd)
- Population and Family Planning (1999-2013)

Postgraduate (Demography, Sociology, and Social Research, Sept 2009-Onward):

- Population Policies
- Population and Society
- Demographic Softwares
- Estimation of Demographic Indices
- Trends and Determinants of Fertility
- Population and Manpower Planning
- Trends and Determinants of Mortality
- Population and Development Planning

Research Grants

2018-2020. Co-Principal Investigator [with Amir Erfani from Nipissing University] in project entitled: Does the Intimate Relationship Influence Fertility Levels, Intentions and Preferences. A Joint International Research Project, Founded by Nipissing University, Canada and Bu-Ali Sina University, Iran.

2015-2016. Principal investigator in project entitled: Demographic Transition and Its Policy Implications in Iran: Toward and New Population Policy, Funded by Center for Strategic Studies, Islamic Republic of Iran.

2015-2016. Co-Principal Investigator [with Mohammad Khaqani from University of Isfahan, Ali Asghar Montazerolqaeem from University of Isfahan, Sayed Komeil Tayebi from University of Isfahan, Enayatollah Yazdani from University of Isfahan, Masoud Fekri from University of Razi, Sayed Mohammad Reza Ebnerasoul from University of Isfahan] in project entitled: Kuwait Islamic World Encyclopedia and Islamic Minorities, Funded by Ministry of Awqaf and Islamic Affairs, State of Kuwait.

2014-2016. Co-Principal Investigator [with Marzeih Nojomi from Iran University of Medical Sciences, and Amir Erfani from Nipissing University] in project entitled: The Study of Determinant Factors of Unwanted Pregnancy, Induced Abortion, and Inequality in Birth Intervals among Married Women in the city of Hamedan, Iran, Funded by Iran University of Medical Sciences.

2007-2008. Co-Principal Investigator [with Mohammad Jalal Abbasi-Shavazi from University of Tehran] in project entitled: Fertility Differences of Kurd and Turk Ethnic

- Groups in Iran: A Case Study of West Azerbaijan Province, Funded by Institute for Social Research, University of Tehran.
- 2003-2004. Principal Investigator in project entitled: Ethnicity and Fertility: Analysis of the Fertility Behavior of Kurd and Turk Ethnic Groups in Rural Area of Urmia District, West Azerbaijan, Iran, Funded by The Ministry of Science, Research and Technology, Research and Study Center for Population in Asia & the Pacific.
- 2000-2001. Co-Principal Investigator [with Abbas Salimian from Bu-Ali Sina University] in project entitled: Planning the Industrial Development of the Azerbaijan Region, Iran: Investigating the Demographic Characteristics of the Region, and Predicting Trends of its Changes until 2021, Funded by The Ministry of Industries, Tehran, IRAN.
- 1996-1998. Co-Principal Investigator [with Mohammad Alizadeh from Planning and Budget Organization, Shahin Jazayeri, Farideh Faaryabi, Kazem Kazerooni, Parviz Taheri, Masoud Mehrabi] in project entitled: The Study of Mutual Effects of Population Indexes and Variables on the Pattern of the Second Development Program of Iran, The Ministry of Science, Research and Technology, Funded by Regional Research and Study Center for Population in Asia & the Pacific (PSRC) and Iranian National Commission for UNESCO, Tehran, IRAN.

AWARDS and TEACHING-RESEARCH ACHIVEMENTS

A) Teaching Awards

- 2021, 2020, 2019, 2010, 2007, 2001, 2000, The Award of Excellence in Teaching, Department of Social Sciences, Faculty of Economic and Social Sciences, Bu-Ali Sina University, Hamedan, Iran.

B) Research Awards

- 2021, 2020, 2018, 2015, 2012, 2003 and 2002, The Award of Excellence in Research, Department of Social Sciences, Faculty of Economic and Social Sciences, Bu-Ali Sina University, Hamedan, Iran.
- 2014, The Award of Excellence in Research, Faculty of Economic and Social Sciences, Bu-Ali Sina University, Hamedan, Iran.
- 2002, 2001, and 2000, The Award of Excellence in Research, Faculty of Literature and Humanities, Bu-Ali Sina University, Hamedan, Iran.

PUBLICATIONS

A) Books

○ Authored Books [in Persian]

Hosseini, Hatam (2020). *Applied Demography*, Hamedan: Bu-Ali Sina University Press.

Hosseini, Hatam; Mohammad Torkashvand (2013). *Application of Computer in Demography*, Hamedan: Bu-Ali Sina University Press.

Hosseini, Hatam (2013). *Socioeconomic Demography and Family Planning*, Fifth Publication, Second Edition, Fourth Publication (2012), Third Publication (2008), First Edition, Second Publication (2004), First Publication (2002), Hamedan: Bu-Ali Sina University Press.

Hosseini, Hatam (2012). *Demographic Methods: Exercises in Analytical and Applied Demography*, Hamedan: Bu-Ali Sina University Press.

Hosseini, Hatam (2000) *Population, Demography and Family Planning*, Hamedan: Fanavaran Press.

E) THESIS

E.1. Supervision

○ **M.A Thesis Supervision**

- **Completed**

- 2021-2022. M.A thesis entitled: A Study on the Determinants of Childlessness and One-Child Intentions among Married Women Aged 15-35 in the City of Hamedan, Iran. Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Student: Shakiba Jahangiri.
- 2021-2022. M.A thesis entitled: Socio-economic and Demographic Determinants of the Proportion and Probability of One-Person Households formation in the Provinces of Iran During 2006-2016. Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Student: Raziye Farhadi.
- 2021-2022. M.A thesis entitled: A Study of the Relationship between Lifestyle and Childbearing Desires among Married Women aged 15-35 in the City of Nourabad. Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Student: Ahmadkaram Hassanzadeh.
- 2018-2019. M.A thesis entitled: A Study of the Determinants of Migration in Rural Areas of Hamedan Province During 2011-2016. Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Student: Arefeh Shahbazi.
- 2018-2019. M.A thesis entitled: Constructing Life Tables For the Provinces of Iran in 2016 and its Adaptation to the Model Life Tables. Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Student: Atefeh Azizi Shaker.
- 2018-2019. M.A thesis entitled: A Study of the Determinants of Women's Marriage Delay in Iran's Townships. Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Student: Ardeshir Rezaei.
- 2018-2019. M.A thesis entitled: A Study of the Determinants of Duration of Marriage in Iran's Townships. Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Student: Reza Teimouri Arshad.
- 2018-2019. M.A thesis entitled: A Study of the Impact of Gender Equality on Fertility Convergence of Muslim Majority Countries with Developed Countries. Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Student: Zahra Jalilian.
- 2017-2018. M.A thesis entitled: A Study of the Determinants of Intention for Single Child among Women at the Threshold of Marriage in Asadabad, Iran. Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Student: Masoumeh Mousapour.
- 2016-2017. M.A thesis entitled: A Study of the Prevalence of Unwanted Pregnancy and its Effective Factors among Women in Asadabad, Iran. Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Student: Zeinab Heidarian Noor.

- 2016-2017. M.A thesis entitled: A Study of the Effects of Social Capital on Fertility Intention of Currently Married Women Aged 15-49 in Hamedan, Iran. Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Student: Ziba Rahmani Farah.
- 2015-2016. M.A thesis entitled: Explaining the Gap in Fertility Behavior and Ideals of Married Women 35-49 Years Old in Qorveh, Iran. Department of Demography, Faculty of Social Sciences and Communications, Allameh Tabatabaie University, Student: Sara Heidari.
- 2015-2016. M.A. thesis entitled: A Study of Women's Attitude on Value of Children and its Impact on Fertility among Women in Health Center in Borujerd, Iran. Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Student: Noushin Behzadfard.
- 2015-2016. M.A. thesis entitled: A Comparative Study of Determinants of Demand for Long-Acting and Permanent Contraceptive Methods among Turkish and Kurdish women in Urmia, Iran. Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Student: Sanaz Nasri.
- 2015-2016. M.A. thesis entitled: The study of Factors Affecting Fertility Convergence of Women Living in Rural and Urban Areas of Kamyaran, Iran. Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Student: Ghader Yousefnejad.
- 2014-2015. M.A. thesis entitled: Determinants of Contraceptive Use among Married Women Aged 15-49 in Rural and Urban Areas of Ilam, Iran. Department of Anthropology, Faculty of Social Sciences, Yazd University, Student: Fereshteh Norouzi.
- 2014-2015. M.A. thesis entitled: A Study of the Factors Influencing Fertility Desires of Sunni and Shiit Women Aged 15-49 in Rural Areas of Kamyaran, Iran. Department of Anthropology, Faculty of Social Sciences, Yazd University, Student: Nahid Moradi.
- 2014-2015. M.A. thesis entitled: Study of the Role of Gender Equality in Childbearing Desires of Ever Married Women Aged 25-49 Years Old Employed in Governmental Organizations in Hamedan, Iran. Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Student: Arash Tavooosi.
- 2014-2015. M.A. thesis entitled: Study of Intergenerational Differences of Marriage Patterns and its Determinants among Mothers and Daughters in City of Kashan, Iran. Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Student: Davoud Heidari.
- 2014-2015. M.A. thesis entitled: Determinants of Fertility Ideals of Kurdish Women in the City of Sanandaj: A Comparative Study of Employed and Unemployed Women. Department of Anthropology, Faculty of Social Sciences, Yazd University, Student: Hamed Karimi.
- 2014-2015. M.A. thesis entitled: The Study of Factors Affecting the Employment Status of 24-34 Years Old of University Graduates in Kurdistan Province. Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Student: Aboobakr Hosseinzadeh.
- 2014-2015. M.A. thesis entitled: Qualitative Study of Migration Intentions of Youths Living in Rural Areas of Sarab, Iran. Department of Social Sciences, Faculty of

- Economics and Social Sciences, Bu-Ali Sina University, Student: Mohammad Taqi Ekhtiarpour.
- 2012-2013. M.A. thesis entitled: Qualitative Analysis of Fertility Actions among Arab Spouses in Ahvaz, Iran. Department of Social Sciences, Faculty of Economics and Social Sciences, Bu-Ali Sina University, Student: Maryam Mehreganfar.
